## *From the Desk of General Secretary*

**Dear honourable friends,  
Greetings!**

The Managing Committee of Janak Puri Club welcomes you for attending the Annual General Body Meeting being held today 21st March, 2021 in the club premises and pray Almighty to bless you and your family with a healthy, happy and safe life. After the election held on 17th December, 2017 the Members of the Committee put their sincere efforts in discharging their duties and responsibilities and taking collective decisions with only one agenda in mind i.e. welfare and development of the Club. We had been trying for all round upliftment of the Club specially the renovation work when suddenly in the month of March, 2020 we all faced the Coronavirus Epidemic resulting all activities of the club were suspended..

Some activities were resumed in the month of November but the club suffered losses because there was no income but minimum essential services had to be maintained to keep the club in good condition. During these days we built two water harvesting underground tanks to meet the requirement of Delhi Jal Board. The said tanks were constructed by our own staff under the supervision of S/s V. P. Jolly and Vivek Khanna (Architect). We saved a lot of expenses. Thus, we thank them for their cooperation and free services.

On the persistent complaints and follow up by some disgruntled, Egoist and negative elements, Club suffered huge losses when DDA demolished some structure built for the comfort and use of our members. We appeal to all members to contribute in making the club better and desist from harming it with negative thinking, The said structures were constructed with great efforts by all of us at a huge cost.

As per our commitments to digitize working of the club we are pursuing it vigorously. We hope you may be observing all your transactions in Club, cash or through credit cards. The same are immediately intimated to you through SMS. We have also started sending greetings on your birthday and wedding anniversary. We request members who have not got the Smart Card to apply immediately and get it to help us to achieve full automation in the working of the Club.

Last year due to lock down we could not celebrate some festivals including the New Year function which we regret as we had to follow guidelines of the Government following social distancing and limited gatherings. After some relaxation given by the Government we celebrated Christmas on 25th December with a live band, symbolic Lohri on 13.1.2021 and REPUBLIC DAY ON 26th JANUARY 2021. After unfurling of our National Flag, refreshment was served and patriotic songs were played.

The administrative block has been renovated leaving its passage which will be done after full normalcy returns.

We have completed the work in the children playing area where we have arranged the latest battery operated cars and other toys for children.

Last year the swimming pool was not operated due to lock down but in this season starting April it will be thrown open for members and their guests under the guidance of trainers and life guards.

In the current year we lost our Mr. Rakesh Taneja, a proven asset of the Club who had been actively involved in all activities of the club, be it purchases, social function and most important BUMPER TOMBOLA GAME. He left us in his young age leaving behind his wife and only daughter. We pray for the peace of departed noble souls.

We lost our respected Mrs. Prem Choudhary w/o our Ex President and Founder member Sh. Sawaran Kumar Choudhary. We pray Almighty to bestow peace on the noble souls.

We also lost two of our prominent members to the cruel hands of Almighty God S/s KAMAL SETHI (furniture manufacturers, membership No. 1704) a soft spoken and regular visitor and Satish Kumar of Printing Industry at Naraina Industrial Area, Membership No. 1180, a thorough gentleman. He was doing all printing works for the Club for the last many years.

Our Treasurer Mr. Amit Gulati will present Statement of Accounts which was badly hit due to Lock down. As we know Mr. Gulati is very active and serving the Club sincerely. He is involved in all activities of the Club be it arrangement of events, catering, purchasing and general matters. He is also known for his social activities for discharging the responsibilities of B-1 block residents Welfare Association and also of Shri Snatan Dharam Mandir, B1-B2 block, Janakpuri and many more.

Our Chairman and Founder member (Membership No. 4) Dr. Ramesh Dhawan is always in touch with the club activities and guides us. Sometimes he attends Managing Committee meetings also. We thank him and hope in the future also he will keep on guiding us with his enrich experiences.

Our thanks to Sh. Ashwani Kumar Khanna, our Advisor who is a socially activist known for organizing Shri Ram Lila famous all over India and abroad.
